

Welcome to our 3s Program

Our 3s Classroom

Circle Time Activities

At Circle Time the children gather together. They learn about the days of the week, sing songs, observe the weather and discuss the topics of the day. There is always something FUN to share!

We are proud to be a literature based school. We use great books as a main tool to build literacy and introduce our curriculum topics. We love to read and listen to stories.

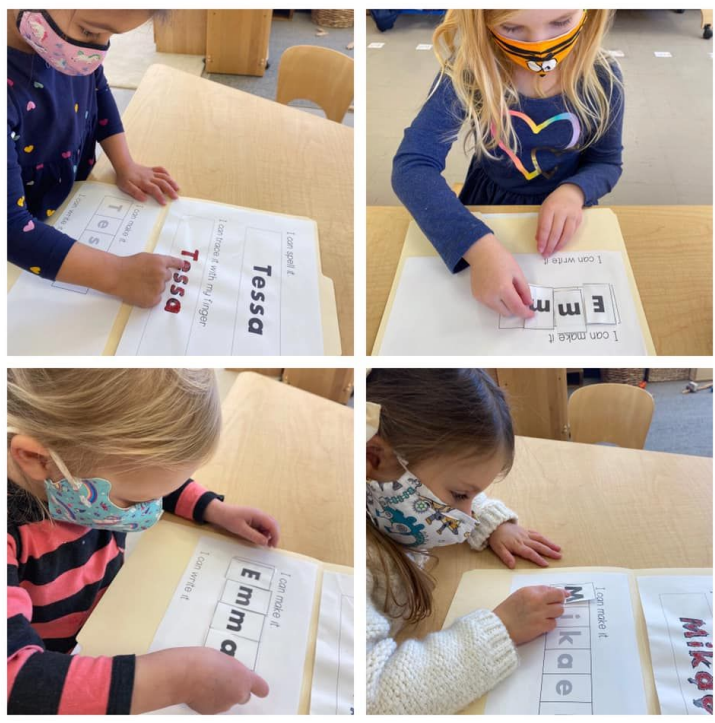

Color Exploration

Centers and Activities

Name Study

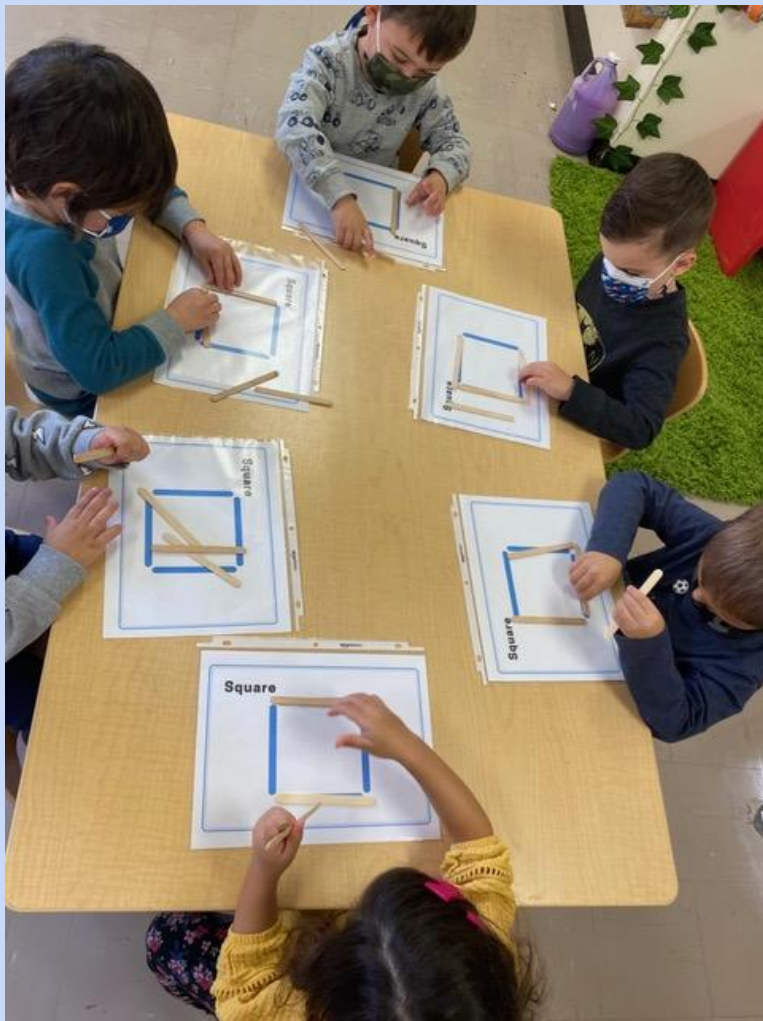

Alphabet Study

Reading

Mathematics

Here at First Pres, we believe MATH is fun! Children explore math concepts using a variety of interesting materials. It is a very hands on approach to learning. We study one to one correspondence, relationships between numbers, shape identification and sequencing.

Science

Reggio Emilia Inspired Learning Activities

The Reggio Emilia approach to early childhood education focuses on introducing children to a wide variety of educational opportunities that encourage self expression, communication, logical thinking and problem solving.

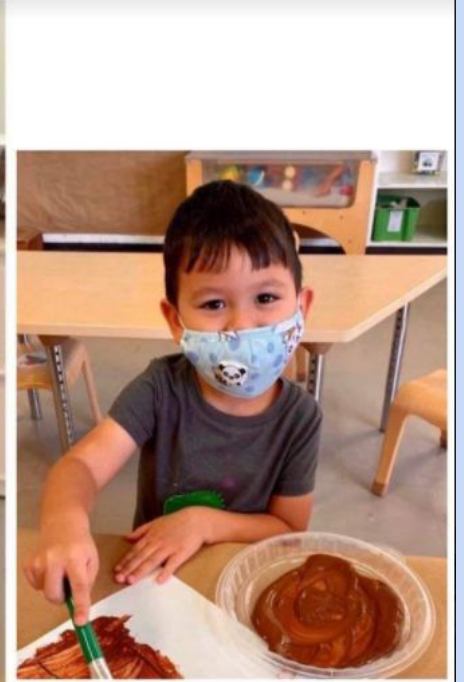

Imaginative Play

Sensory Play

Art

Curriculum Themes

Apples and Pumpkins

The Daddy/Special Person Project

Laura Numeroff Author Study

The Giving Project

The 5 Senses Project

Butterfly Exploration

Playground and Gym Time Fun

Gross motor play is so important to physical development and to enhance social and emotional skills. We play outside or in our gym every day.

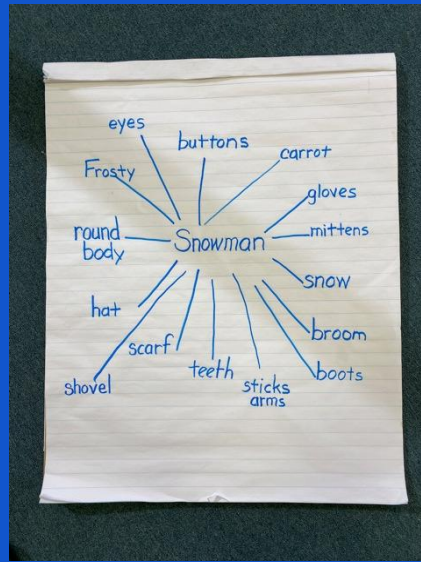

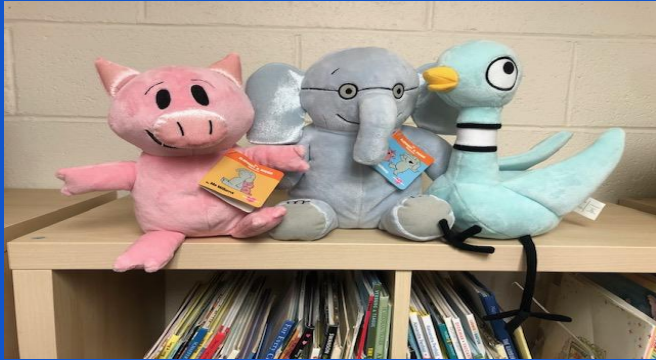

Music and Movement

Enrichment Lunch

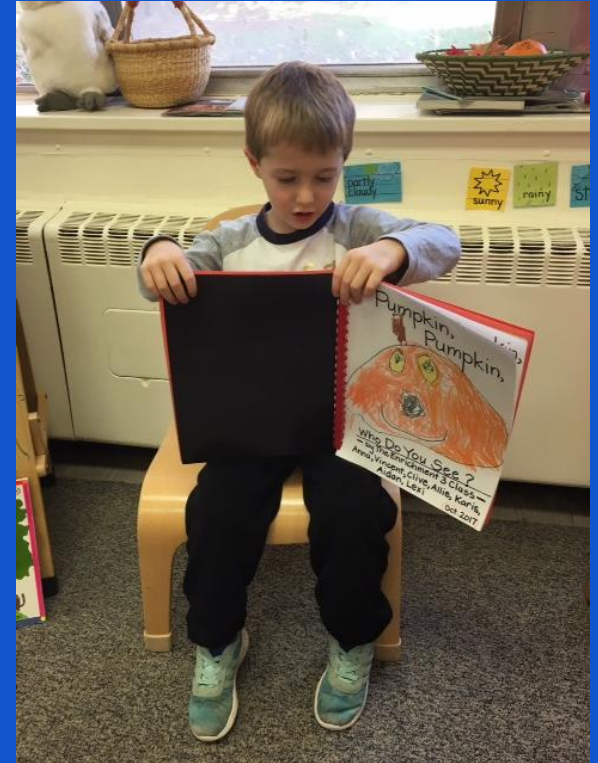

Enrichment

Our 3s Enrichment Program is all about BOOKS! The children dive into literature by reading and exploring fun and interesting books. The class uses their own ideas to tell their own stories and “write” their own books. They create word webs and practice public speaking as they tell stories together. Our goal is for children to love books! They focus on the Mercy Watson and Elephant and Piggy series. The excitement builds as children become authors, illustrators, and publishers!

Enrichment Fun...Books, Books, Books

Our 3 year olds have so much fun
playing, learning and making friends at
FPNS.

We hope you will come join the fun.
